August 7-10, 2022 • Green Valley Ranch Resort • Henderson, Nevada

We Invite You To Join Us!

November 2021

The Association of Public Treasurers of the United States & Canada (APT US&C) is proud to invite you to our 56th Annual Conference. The 2022 hybrid event will be held August 7-10 in Henderson, Nevada.

This easily accessible location is sure to draw our members from all around the country. Most parts of the country have direct flights to McCarran Airport in Las Vegas, making travel easy and affordable. We look forward to continued growth in attendance following the strong reviews from our last three annual conferences. For the 2021 Conference, we offered a livestreaming registration, which added over IOO attendees who would have otherwise been unable to attend. We look forward to continuing to grow both in-person and online attendance.

APT US&C has an active and involved membership of nearly 800 public treasury managers, financial officers and private sector representatives. As a Board, we strive to provide these members with quality treasury management education and training, professional certification, peer interaction, and professional connection. To fulfill this mission, we work to:

- Meet, network and share ideas at our annual conferences.
- Provide unique and valuable educational experiences for the participants ranging from basic instruction to advanced-level subjects facilitated by qualified speakers from across the country.
- Offer certification and accreditation programs.

We invite you to be an integral part of our Annual Conference. This sponsorship prospectus details everything that our annual conference offers and how it can be a fantastic match for your company's goals.

The APT US&C Annual Conference attracts treasury professionals who are key decision makers in their municipalities and districts. Your sponsorship will provide numerous opportunities for you to present yourself and your company to our attendees. Expected attendance is over 250 members from all over the country, with noted representation from Oklahoma, Michigan, Indiana, Illinois, Texas, California, Utah, Virginia, Wyoming, and others. Registered sponsor representatives have access to regular conference presentations, meals, and conference networking activities.

APT US&C is committed to providing top-notch marketing and networking opportunities. There will be many ways to get involved as a sponsor or exhibitor at the 56th Annual Conference, regardless of your personnel, product, or budget. Get involved by:

- Providing educational sessions
- Hosting an exhibit booth
- Taking advantage of the Virtual Exhibit Hall
- Providing giveaways to attendees
- Participating as a conference attendee and networking
- Organizing ad hoc activities with members you know or meet

The Exhibit Hall will be a central gathering place; we will have the hall set up with vendor booths and a general area for conference attendees to meet between sessions. We encourage attendees to visit every booth in order to win a free prize at the end of the conference. The Exhibit Hall also hosts either meals or snacks.

The Virtual Exhibit Hall was an addition in 2021 for our online attendees to provide quality interactions and face time with sponsors. Each sponsor is provided with a ten minute online time slot to present their organization to our online attendees. Participants found this incredibly valuable - you can make it as formal or casual as you would like. Last year's sessions are posted on the APT US&C website for continued viewing.

There will also be an Exhibitor's Reception Event on Monday evening. The event is well-attended and provides valuable networking time for sponsors and attendees.
